

INSULATED WALL PANELS

A practical choice for commercial use and data centers, our insulated wall panels can be customized based on project-specific thermal requirements and finish options making them ideal for use across a range of applications. Panels are manufactured at one of our offsite facilities and delivered for quick installation in the field, minimizing risk and site impacts.

CORE BENEFITS

**ENERGY
EFFICIENCY**

**REDUCED MAINTENANCE
SUPERIOR DURABILITY**

**SPEED OF
CONSTRUCTION**

**EXCEPTIONAL
QUALITY**
